GERONIMO CREEK SEWER PROJECT - PHASE V Oak Village North Subdivision

Volume 2, Issue 2

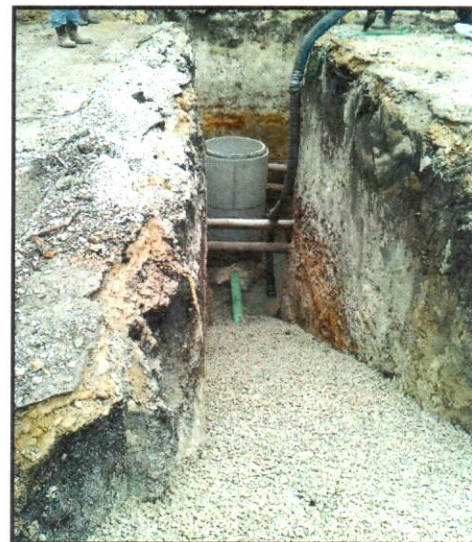

January 15, 2013

WHAT'S GOING ON?

The utility crew continues to place sewer main on Twin Oak and installation is scheduled to progress to Martindale Road and Burr Oak within the next few weeks. You may notice the utility crews begin to dig out the tops of the manholes, in order to pressure test the sewer line. Once the sewer line and manholes have been tested and accepted, the dirt crew will resume work on the roads. The curb crew is completing work on Lone Oak and will begin forming driveway approaches for repair.

Thank you for your continued patience with the project!

STAFF CONTACTS

NATE GARZA PROJECT MANAGER ngarza@seguintexas.gov	830.401.2402
